

ATTENTION EASTTOWN DEMOCRATS!

HAVE YOU EVER CONSIDERED RUNNING FOR SCHOOL BOARD?

Here's your chance to become involved and help shape Easttown educational policies for the future. The Easttown Township Democratic Committee (ETDC) is looking for passionate, intelligent and committed Easttown Democrats to enter the Democratic May 2019 Primary for one School Board position.

ABOUT THE JOB

The Tredyffrin-Easttown (TE) School Board has 9 school board members who serve 4-year terms. Elections occur in odd years for open positions (2019, 2021, etc.) In November 2019, there will be one board seat up for election representing Easttown residents.

As a board member, you'll contribute your unique talents to make a difference in our children's education. While collaborating and working as a team with other board members, you'll help:

- Set the vision and goals for the district including oversight of the \$30M Conestoga High School expansion as well as reapportionment of student populations
- Adopt policies that give the district direction to set priorities and achieve its goals, including developing and implementing bullying prevention policies
- Adopt and oversee the annual budget and relevant school taxes

Read over this terrific [Guide for School Board Candidates in Pennsylvania](#) for an overview about school boards and the role of school board members. The time commitment for a School Board member is estimated at 10 hours per month.

THE EASTTOWN POLITICAL LANDSCAPE

There has never been a better time to run as a Democrat in Easttown. During the past two years, Democratic candidates have been winning elections in Easttown by substantial margins! In November 2017, two Democrats were elected to the TE school board while another Democrat was elected to be a township Supervisor. In November 2018, all the Democratic candidates won on the Easttown ballot including Bob Casey, Chrissy Houlahan, Tom Wolf and John Fetterman, Tim Kearney and Kristine Howard. Now is the time to run!
