PROFESSIONAL PROFILE

RN with a Bachelor of Science in Nursing with excellent nursing and administrative skills, equipped to evaluate problems and identify root causes that inform action plans and policies to resolve issues.

PROFESSIONAL EXPERIENCE

Bryn Mawr Hospital – Bryn Mawr, Pennsylvania **2005 - 2011**

RN Clinician III: CCU

Provided nursing services to critically ill patients, functioned as the Charge Nurse to assign nurses, and coordinate the admissions/discharges to the CCU. I participated in unit development through membership and chairing the CCU Unit Council, a nursing quality improvement committee.

University of Virginia Medical Center – Charlottesville, Virginia **2000 – 2005**

RN Clinician II, CCU

Provided nursing services to critically ill intensive care patients, including titration of IV medications, provision of renal dialysis, and management of patients on life-saving devices.

Bayfront-St. Anthony's Health Care – St. Petersburg, Florida **1996 – 2000**

Intensive Care RN (1998-2000)

Provided intensive nursing care to medical, surgical, and coronary patients.

Staff RN, Oncology (1997-1998)

Provided nursing care in a challenging clinical environment for cancer patients.

Tampa General Hospital – Tampa, Florida **1986 – 1994**

Anesthesiology Administrative Director

Responsibilities included the administration of all aspects of the department. I prepared and managed a \$16MM budget, developed programs, formulated policies, established billing and inventory management procedures, and ensured the capture of revenues. I hired and supervised staff and developed orientation materials for 36 employees, including nurse anesthetists, biomedical technicians, and clerical personnel.
